Obituary

Sam Mathis Jr. was born in Dallas ,TX on January 29, 1930. He was raised there, and at an early age gave his life to Christ and moved to San Jose, CA. He became an active member at Prayer Garden Church of God in Christ under the direction of Bishop Milton Mathis. It was there that he met the love of his life, Edna Smith and they married on January 1956. To their union God blessed them with four sons, Milton, Sammy, Michael and Vincent.

Pastor Sam Mathis Jr. loved his family. He enjoyed playing sports with them, and they would get angry when he won! He loved going fishing and camping. He also loved his gardening, and received the best garden of the month not once, but three times! Most of all he loved traveling with his beloved wife, Edna. When you saw her, he was right next to her, always.

Pastor Mathis and his family became members at Calvary Chapel, which is now known as The Father's House under the direction of Pastor Dan Greenlee. Later Pastor branched out to his own ministry working in different churches as Co-Pastor, Youth Pastor and associate Pastor, until God spoke to him to open a church in San Jose, CA, Christian Outreach Temple. He later moved the congregation to San Martin, CA, New Generation Family Church. Later, God spoke to him to move to San Bernardino, CA to open a church. He was there 8 years, doing missions and touching many lives.

Pastor Sam Mathis Jr. returned to San Jose, CA in 2010. Back home and back to The Father's House to continue and finish the work he started with Pastor Dan Greenlee. During this time, he was presented with the prestigious Doctorate award, presented and ordained by Dr. Dan Greenlee, until The Lord called him home. He was an obedient and faithful servant, finishing his course God had for him.

Korea

With the 64th in South Korea,
Koje-Do is the gruesome spot
Where we're doomed to spend Our time,
In the land where we need God.

In the middle of the rice paddies,
Down where a man gets worried;
Right in the middle of nowhere,
And eight thousand miles from you.

We seat, we freeze, and shiver..
It's more than a man can stand.
We are not supposed to be convicts,
Just defenders of our land.

We are soldiers of the eighth Army,
Earning a very small pay;
Guarding people with millions
For only two dollars a day.

Living with only a hope;
Waiting to see our friends and folks;
Hoping while we're away
That God will bless them each day.

Nobody Knows how we're living
I wonder does anyone care.
We were called by the draft
We belong to Uncle Sam.

The we send in the Army,
The time of our lives we missed.
Boys if you like the Army,
God Bless you if you enlist

But when all of this is over,
And we can return home again,

We can say for a truth,

"We are Blessed above thousands and thousands of men"
